“SPRINGTIME IS PLANTING TIME”

Who can resist the urge of planting when Spring comes to the garden?

You will want to add something new to your collection — something you saw at a flower show, or in a friend's garden, and will write or visit your nurseryman; placing your order for early attention.

On our 35 acres we have a splendid collection from which you can select the things you want. — 50,000 *Evergreens* in variety, 75,000 *Flowering Shrubs*, 20,000 *Shade and Ornamental Trees*, ten thousand colorful *berry-bearing Shrubs*, and several acres devoted to *Old-fashioned Hardy Plants* for your “*Flower and Rock Garden*.” Remember, this abridged list gives only a few of the good things we grow. Send in your want lists for our quotations.

Visit our nurseries and make your selection, or call us in for consultation and advice, which is freely given to all our customers.
